atendimento técnico - downloads - treinamentos

Após ter finalizado os **Downloads**, coloque os arquivos **baixados** na área de trabalho(Desktop) para facilitar a localização dos Arquivos.

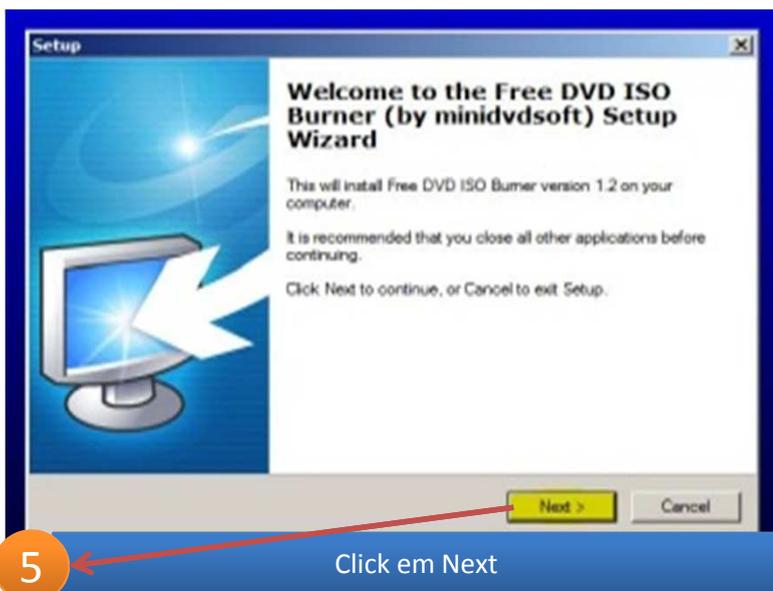

1 Duplo Click no Gravador

2 Click em Executar

3 Click Sim.

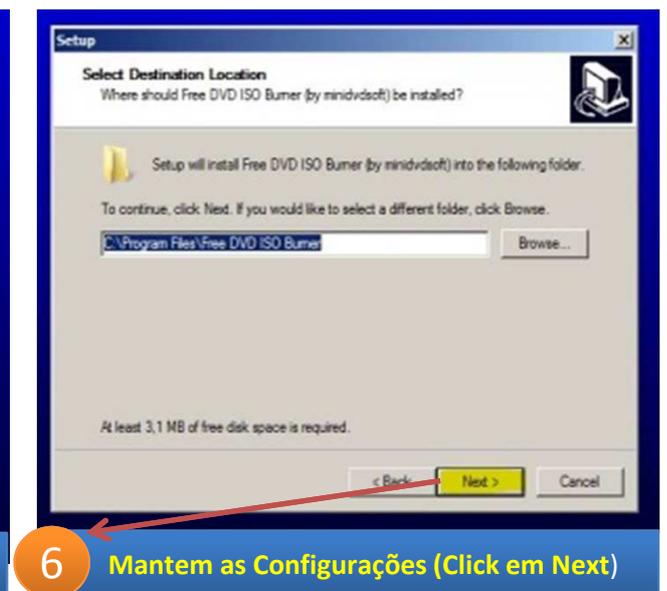

4 Click Sim.

Detailed description: This block shows the initial steps of the installation. On the left, a desktop view shows two files: 'Gravador' (with a CD icon) and 'W7starter_reco...'. A red arrow points from the number '1' to the 'Gravador' file. In the center, a 'Abrir Arquivo - Aviso de Segurança' dialog box is open, showing details for 'Gravador.exe' and an 'Executar' button. A red arrow points from the number '2' to the 'Executar' button. On the right, a 'Setup' window asks 'This will install Free DVD ISO Burner (by minidvsoft). Do you wish to continue?'. A red arrow points from the number '3' to the 'Sim' button. Below it, a 'Controle de Conta de Usuário' (UAC) dialog box asks 'Deseja permitir que o programa de um fornecedor desconhecido faça alterações neste computador?'. A red arrow points from the number '4' to the 'Sim' button.

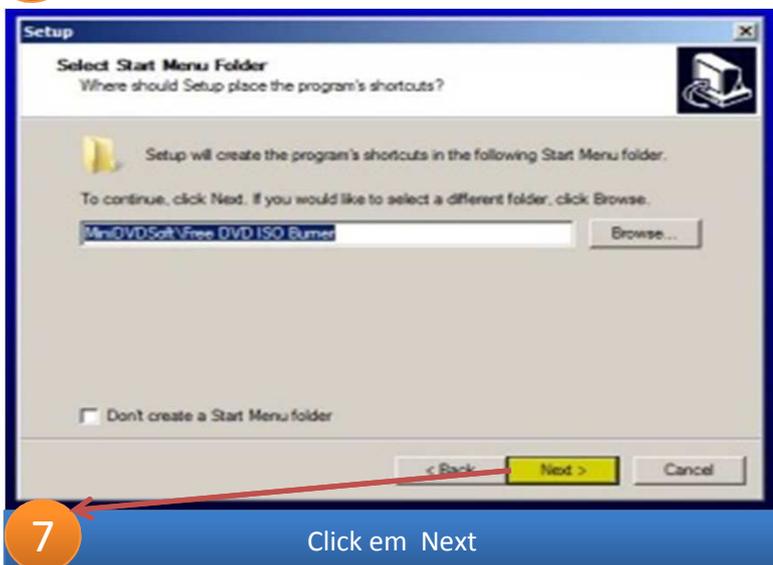

5 Click em Next

Detailed description: This screenshot shows the 'Welcome to the Free DVD ISO Burner (by minidvsoft) Setup Wizard' dialog. The text indicates that version 1.2 will be installed and recommends closing other applications. A 'Next >' button is highlighted with a red arrow pointing from the number '5'.

6 Mantem as Configurações (Click em Next)

Detailed description: This screenshot shows the 'Select Destination Location' dialog, asking where the software should be installed. The default path is 'C:\Program Files\Free DVD ISO Burner'. A 'Next >' button is highlighted with a red arrow pointing from the number '6'.

7 Click em Next

Detailed description: This screenshot shows the 'Select Start Menu Folder' dialog, asking where shortcuts should be placed. The default folder is 'MiniDVDSoft\Free DVD ISO Burner'. A 'Next >' button is highlighted with a red arrow pointing from the number '7'.

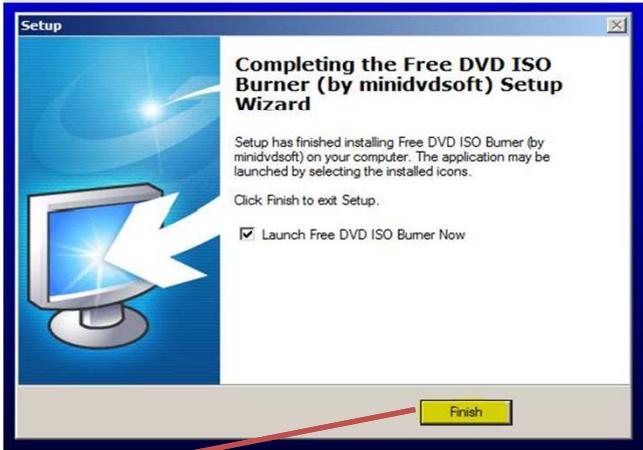

8 Click em Install

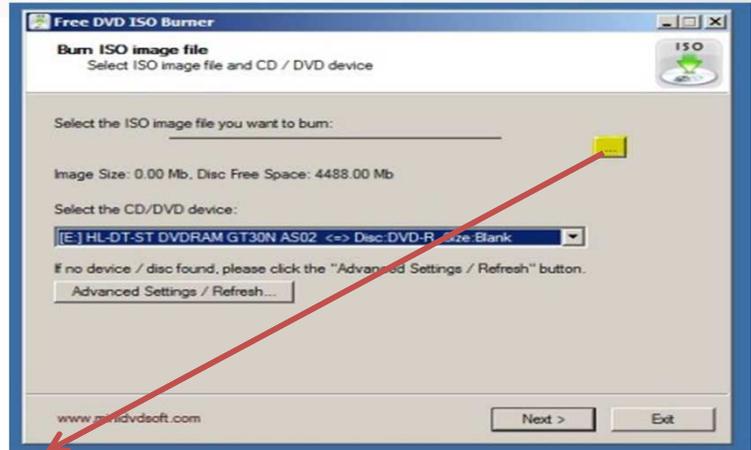

Detailed description: This screenshot shows the 'Ready to Install' dialog, indicating that the installation is ready to begin. It shows the destination location and start menu folder. An 'Install' button is highlighted with a red arrow pointing from the number '8'.
